Policies

Students will be able to come and leave as necessary. However, when they leave the LMC, they must leave the school unless they go to another supervised area.

Students will be expected to work quietly while in the library.

Computers will be used for school work only. All usage rules for the school day will be enforced.

Students will be permitted to use the library phone (663-6070) to arrange transportation.

Students will be permitted to use their MP3 players and Ipods, as long as they are not heard.

Food is not permitted. Water, in a closed container, is the only beverage allowed.

Students must remove hats and coats.
