Immigration/Migration Project Library Check List
Use the following to keep track of what you have completed while in the library, and what you still need to do. You MUST have each entry signed by either your teacher or a librarian. The items do not need to be completed in the order in which they are listed.

1. Learning ancestry.com
2. Learning how to make a bibliography
3. Interpreting a graph/data
4. Creating a map for your project
5. Creating your Google Earth path
