Playlists
Step-by-step Procedure To Create Your Playlist:

1. Search for and select a video
2. Examine the segments
3. Select the + sign located to the left of a segment title
4. Choose between create a Playlist or add to an existing Playlist
5. Complete the Playlist form
6. Select OK
7. Go to Digital Director
8. Select Manage Playlists
9. You can play-edit-delete or share your playlist
10. Select OK

Use Playlists...

1. To compare and contrast two different concepts or periods of time.
2. To create engaging visual literacy assessments.
3. When you want to organize units of instruction.
4. When you want to string together examples or application of concepts.
Step-by-step Procedure To Access Your Playlists:

1. Go to Digital Director (Top Red Menu Bar)
2. Select Manage Playlists
3. A list of all your Playlists will appear
4. Select the desired Playlist
5. Select the PLAY arrow

Use Playlists...

1. To compare and contrast two different concepts or periods of time.
2. To create engaging visual literacy assessments.
3. When you want to organize units of instruction.
4. When you want to string together examples or application of concepts.
