Explorer Report

Name:

Ahoy matey! All hands on deck! Get ready to create a top quality report about an Explorer. You will need to research information carefully, type or write neatly, and do your best work to receive the maximum points possible. No idle hands allowed!

Warning...The report will be worked on at school. No need to work at home.

Make sure that the work you do is written using your own thoughts and words. DO NOT COPY exact phrases from books or the internet! I'm interested in an original report written by you, and not a copied report from sources that you use! You may write your report or type this project.

This project has two parts, a written report and an oral presentation. You will be given a grade in writing and in social studies for the entire project.

Oral Presentation Guidelines:
- Tell the name of your explorer and show a picture of him/her.
- Tell when and where he/she was born and his death date.
- Tell why he/she was important, which places were explored by this explorer and any new discoveries made or treasures found.
- Tell one interesting thing you learned about your explorer.

1. Make sure your presentation is 1 - 3 minutes long.
2. Use a strong voice and good eye contact.
3. You may use your project for reference.

You will create a file folder or poster to present your information. More info to come.
