GRAPHIC ORGANIZERS FOR READING COMPREHENSION

Simple response sheets to hold your students accountable!
These were some of the characters...

The book I read was:

Character 1 Name: 

Character 2 Name: 

Character 3 Name: 

© The Sassy School Teacher
The Star of the Story!

The book I read was:

__________

Draw a picture of the main character in the box and use the stars to write words to describe the character.

The main character was:

__________
Characters are Different, Inside and Out!

These words describe the character on the outside (how he or she looked).

This was the main character:

These words describe the character on the inside (how he or she acted or felt).

The book I read was:

© The Sassy School Teacher
Sometimes characters can be alike AND different!

Character 1 name: __________________________

Character 2 name: __________________________

Both are alike because: __________________________

name: __________________________

The book I read was: __________________________
The book I read was:

The Setting of the story was:

Draw a picture of the setting in the iPad. Then, use the pencils to write clues that told you what the setting was.
Some stories have problems and solutions!

The Problem was...

The Solution was...
The EVENTS are the most important parts of the story!

First, 

Next, 

Then, 

After that, 

Last,
The Topic is WHO or WHAT it’s ALL about!

After reading the text, write what the topic is. Then, use the boxes to write what you learned about the topic.
The Main Idea is the most important thing the author wants you to know about the Topic!
